The Social Inclusion and Community Activation Programme (SICAP) is co-funded by the Irish Government, through the Department of Rural and Community Development, and the European Social Fund Plus under the Employment, Inclusion, Skills and Training (EIST) Programme 2021 -2027.

"This Project is supported by the Department of Children, Equality, Disability, Integration and Youth."

"This [Project] is supported by the International Protection Integration Fund"

"This project was approved by Government with support from the Dormant Accounts Fund".

"This project is supported by the Department of Rural and Community Development and Pobal through the Community Services Programme".
